

**MOUNT COOK
SKI PLANES**

MOUNT COOK SKI PLANES

Flights from FRANZ JOSEF - WEST COAST

Mount Cook Ski Planes is the only company licensed to land in Aoraki/Mount Cook National Park on the Tasman Glacier, the longest glacier in New Zealand.

All our landing flights allow you to experience the thrill of a Glacier Landing with 10 minutes on the snow to enjoy the spectacular scenery of the Southern Alps. The engine will be shut down to experience total silence...

GLACIER LANDING SCENIC FLIGHTS

by Ski Plane:

Twin Glacier FRA1 glacier landing scenic flight

Fly over the lowland forest towards the coast before flying over Fox and Franz Josef glaciers. Land for ten minutes on one of these glaciers and experience the natural quiet. This flight also has great views of the West Coast side of Aoraki/Mount Cook and Mt Tasman.

Approx 40 minutes
\$350.00 per adult
\$260.00 per child

Glacier Magic FRA2 glacier landing scenic flight

Follow the same route as the Twin Glacier flight before crossing the main divide and flying down the Tasman Glacier to get closer views of the eastern side of Aoraki/Mount Cook and Mt Tasman. Land on either the Fox, Franz Josef or Tasman Glaciers for 10 minutes before flying back to the West Coast.

Approx 60 minutes
\$435.00 per adult
\$330.00 per child

SCENIC FLIGHTS by Ski Plane:

Twin Glacier Overflight FRA3 non landing scenic flight

This flight follows the same route as the Twin Glacier flight to see New Zealand's highest mountain Aoraki/Mount Cook.

Approx 30 minutes
\$255.00 per adult
\$200.00 per child

Glacier Magic Overflight FRA4 non landing scenic flight

Fly the same flight path as the Glacier Magic flight with great scenic views on both sides of the main divide.

Approximately 50 minutes
\$360.00 per adult
\$265.00 per child

Rates valid until 30 Sept. 2010
